Benefit held On Saturday, May 17, 2008, the Youngstown Parrot Head Club took part in the Mahoning Valley Scrappers' Fan Fest at Eastwood Field in Niles, OH. Donations in the amount of \$93 were raised from a cornhole tournament, face painting, basket raffles, and a 50/50 raffle. YPHC President Val Chorba and member Jeff Uber held a cookout at Dart Trucking to raise an additional \$140. Both amounts were donated to James Lewis. Mr. Lewis has been diagnosed with multiple myeloma (cancer of the plasma cell) in 90% of his bones. Mr. Lewis's friends and family have supported the efforts of the YPHC in the past, and the YPHC is proud to be able to "give something back."

Sunshine Committee formed

YPHC Secretary Peggy Humes and member Gayle Bowser have graciously volunteered to become the official YPHC Sunshine Committee. Please send your birthdays, anniversaries, graduations, and any other significant life event that you want to share with the club to either MAHPAH@aol.com or GBowser@sbcglobal.net.

Concert bus trip deadline approaching For those of you lucky enough to have reserved seats on the YPHC concert buses, the deadline to submit your payment is quickly approaching. Payment of \$30 per person is due no later that Monday, June 16, 2008. Don't forget—your YPHC concert bus ticket includes a catered meal, as well as a bag lunch (sandwich and chips) and bottled water on the ride home! Payment may be made to any YPHC board member. Any seats reserved, but not paid for by the deadline will be released for sale. Thanks for your understanding.

YPHC to volunteer for Habitat for Humanity

Habitat for Humanity is a non-profit ecumenical housing ministry whose mission is to build affordable houses, which are then sold to low-income working families. Habitat for Humanity of Mahoning County (HfHMC) recently completed its 25th house since being founded in 1989. The YPHC will volunteer for HfHMC on Saturday, June 28, 2008 from 9am until 4pm. Volunteers are needed to assist with building another house here in the Mahoning County area, doing wood-working, dry wall, insulation, siding, painting, roofing, or any of a dozen other tasks. Contact any board member to volunteer.
